DEFINITIONS

Terms when capitalized in this Plan booklet have defined meanings, given in the section below or throughout the booklet sections.

Appeal -- is something you do if you disagree with a decision to deny a request for dental care services or payment for services you already received. You may also make an appeal if you disagree with a decision to stop services that you are receiving. For example, you may ask for an appeal if our Plan doesn't pay for a service, you think you should be able to receive.

Benefits -- the dental services under this Plan to which you are entitled to receive.

Calendar Year -- the 12 months of the year from January 1st through December 31st.

Emergency Service -- means dental care furnished to a Member needed to treat a dental condition which manifests as a symptom of sufficient severity, including severe pain, such that the absence of immediate attention could reasonably be expected by the Member to result in either: (i) placing the Member's dental health in serious jeopardy, or (ii) serious impairment to dental functions.

Effective Date -- the original date the Plan starts. This date is given on this booklet's cover and Attachment A.

Member -- a person with Medicare who is eligible to get covered services, who has enrolled in the Plan and whose enrollment has been confirmed by CMS.

Examples include: teeth that have been prepared for crowns, root canals where a working length has been established, full or partial dentures for which an impression has been taken.

How to use this Plan - Choice of Participating Provider

To receive Benefits under this Plan, you must select a Participating Provider from the directory of Participating Providers. If you fail to select a Participating Provider or the Participating Provider selected by you becomes unavailable, we will request you select another Participating Provider, or we will assign you to a Participating Provider. You may change your assigned Participating Provider by directing a request to the Customer Service department at 844-282-7638 Monday through Sunday from 8 a.m. to 8 p.m., 7 days a week (TTY users call 711). In order to ensure that your Participating Provider is notified, and our eligibility lists are correct, changes in Participating Providers must be requested prior to the 21st of the month for changes to be effective the first day of the following month.

Shortly after enrollment you will receive a membership packet that tells you the effective date of your Plan and the address and telephone number of your Participating Provider. After the effective date in your membership packet, you may obtain dental services under the Plan. To make an appointment simply call your Participating Provider's facility and identify yourself as a Member through BRAND NEW DAY Plan. Inquiries regarding availability of appointments and accessibility of Participating Providers should be directed to the Customer Service department at 844-282-7638 (TTY users 711).

EACH MEMBER MUST GO TO HIS OR HER ASSIGNED PARTICIPATING PROVIDER TO OBTAIN COVERED SERVICES, EXCEPT EMERGENCY SERVICES OR SERVICES PROVIDED BY A SPECIALIST, WHICH MUST BE PREAUTHORIZED IN WRITING BY DELTA DENTAL. ANY OTHER TREATMENT IS NOT COVERED UNDER THIS PLAN.

If your assigned Participating Provider's agreement with Delta Dental terminates, that Participating Provider will complete (a) a partial or full denture for which final impressions have been taken, and (b) all work on every tooth upon which work has started (such as completion of root canals in progress and delivery of crowns when teeth have been prepared).

Continuity of Care

Existing Members:

You may have the right to have completion of care with your terminated Participating Provider for certain specified dental conditions. Please call Customer Service at 844-282-7638 Monday through Sunday from 8 a.m. to 8 p.m., 7 days a week (TTY users call 711) to see if you may be eligible for this benefit. You may request a copy of our Continuity of Care Policy. You must make a specific request to continue under the care of your terminated Participating Provider. We are not required to continue your care with that Participating Provider if you are not eligible for coverage under the Plan or if we cannot reach agreement with your terminated Participating Provider on the terms regarding your care.

New Members:

You may have the right to the qualified benefit of completion of care with a Non Participating Provider for certain specified dental conditions. Please call the Customer Service department at 844-282-7638 Monday through Sunday from 8 a.m. to 8 p.m., 7 days a week (TTY users call 711) to see if you may be eligible for this benefit. You may request a copy of our Continuity of Care Policy. You must make a specific request to continue under the care of your current Non Participating Provider. We are not required to continue your care with that dentist if you are not eligible under the Plan or if we cannot reach agreement with your dentist on the terms regarding your care.

Facility Accessibility

Many facilities provide Delta Dental with information about special features of their offices, including accessibility information for patients with mobility impairments. To obtain information regarding facility accessibility, contact Delta Dental's Customer Service department at 844-282-7638 Monday through Sunday from 8 a.m. to 8 p.m., 7 days a week (TTY users call 711).

Benefits, Limitations and Exclusions

This Plan provides the Benefits described in Attachment A, *Description of Benefits and Copayments* subject to the limitations and exclusions described in Attachment B. The services are performed as deemed appropriate by your attending Participating Provider. A Participating Provider may provide services either personally or through associated dentists, technicians or hygienists who may lawfully perform the services.

Copayments and Other Charges

You are required to pay any Copayments listed in the Attachment A, *Description of Benefits and Copayments* directly to the Participating Provider or Specialist who provides treatment. Charges for broken appointments (unless notice is received by the dentist at least 24 hours in advance or an emergency prevented such notice), and charges for visits after normal visiting hours are listed in the *Description of Benefits and Copayments*.

Emergency Services

If Emergency Services are needed, you should contact your Participating Provider whenever possible. If you are a new Member needing Emergency Services, but do not have an assigned Participating Provider yet, contact Delta Dental's Customer Service department at 844-282-7638 Monday through Sunday from 8 a.m. to 8 p.m., 7 days a week (TTY users call 711) for help in locating a Participating Provider. Benefits for Emergency Services by a Non Participating Provider are limited to necessary care to stabilize your condition and/or provide palliative relief when you:

- 1) have made a Reasonable attempt to contact the Participating Provider and the Participating Provider is unavailable or you cannot be seen within 24 hours of making contact; or
- 2) have made a Reasonable attempt to contact Delta Dental prior to receiving Emergency Services, or it is Reasonable for you to access Emergency Services without prior contact with Delta Dental; or
- 3) reasonably believe that your condition makes it dentally/medically inappropriate to travel to the Participating Provider to receive Emergency Services.

Benefits for Emergency Services not provided by the Participating Provider are limited to a maximum of \$100.00 per emergency less the applicable Copayment. If the maximum is exceeded, or the above conditions are not met, you are responsible for any charges for services by a dentist other than your Participating Provider.

Specialist Services

Specialist Services must be referred by the assigned Participating Provider and preauthorized in writing by Delta Dental. All preauthorized Specialist Services will be paid by us less any applicable Copayments.

Second Opinion

You may request a second opinion if you disagree with or question the diagnosis and/or treatment plan determination made by your Participating Provider. Delta Dental may also request that you obtain a second opinion to verify the necessity and appropriateness of dental treatment or the application of Benefits.

Second opinions will be rendered by a licensed dentist in a timely manner, appropriate to the nature of your condition. Requests involving cases of imminent and serious health threat will be expedited (authorization approved or denied within 72 hours of receipt of the request, whenever possible). For assistance or additional information regarding the procedures and timeframes for second opinion authorizations, contact Delta Dental's Customer Service department at 844-282-7638 Monday through Sunday from 8 a.m. to 8 p.m., 7 days a week (TTY users call 711) or write to Delta Dental.

Second opinions will be provided at another Participating Provider's facility, unless otherwise authorized by Delta Dental. Delta Dental will authorize a second opinion by a Non Participating Provider if an appropriately qualified Participating Provider is not available. Delta Dental will only pay for a second opinion which Delta Dental has approved or authorized. You will be sent a written notification should Delta Dental decide not to authorize a second opinion. If you disagree with this determination, you may file an Appeal with BRAND NEW DAY. Please refer to the section of this booklet titled "Grievance and Appeals Process" below for an explanation of how to file an Appeal.

Claims for Reimbursement

Claims for Emergency Services or preauthorized Specialist Services should be submitted to Delta Dental within 90 days of the end of treatment. Valid claims received after the 90-day period will be reviewed if you can show that it was not reasonably possible to submit the claim within that time. The address for claims submission is Claims Department, P. O. Box 1810, Alpharetta, GA 30023.

Provider Compensation

A Participating Provider is compensated by Delta Dental through monthly capitation (an amount based on the number of Members assigned to the Participating Provider), and by Members through required Cost Sharing for treatment received. A Specialist is compensated by Delta Dental through an agreed-upon amount for each covered procedure, less the applicable Copayment paid by the Member. In no event does Delta Dental pay a Participating Provider or a Specialist any incentive as an inducement to deny, reduce, limit or delay any appropriate treatment.

In the event we fail to pay a Participating Provider, you will not be liable to that Participating Provider for any sums owed by us. The Participating Provider's contract with Delta Dental contains a provision prohibiting the Participating Provider from charging a Member for any sums owed by Delta Dental. Except for the provisions in *Emergency Services*, if you have not received Preauthorization for treatment from a Non Participating Provider or Specialist, and we fail to pay that dentist you may be liable to that dentist for the cost of services.

You may obtain further information concerning compensation by calling Delta Dental at the toll-free telephone number listed in this booklet.

Processing Policies

The dental care guidelines for the Plan explain to Participating Providers what services are covered under the dental Contract. Participating Providers will use their professional judgment to determine which services are appropriate for the Member. Services performed by the Participating Provider that fall under the scope of Benefits of the dental Plan are provided subject to any Copayments. If a Participating Provider believes that a Member should obtain treatment from a Specialist, the Participating Provider contacts Delta Dental for a determination of whether the proposed treatment is a covered benefit. Delta Dental will also determine whether the proposed treatment requires treatment by a Specialist. A Member may contact Delta Dental's Customer Service department at 844-282-7638 Monday through Sunday from 8 a.m. to 8 p.m., 7 days a week (TTY users call 711) for information regarding the dental care guidelines for the Plan.

Coordination of Benefits

This Plan provides Benefits without regard to coverage by any other group insurance policy or any other group health benefits Plan if the other policy or Plan covers services or expenses in addition to dental care. Otherwise, Benefits provided under this Plan by Specialists or Non Participating Providers are coordinated with such other group dental insurance policy or any group dental benefits Plan. The determination of which policy or Plan is primary shall be governed by the rules stated in the Contract.

If this plan is secondary, it will pay the lesser of:

- the amount that it would have paid in the absence of any other dental benefit coverage, or
- the enrollee's total out-of-pocket cost payable under the primary dental benefit plan.

A Member must provide to Delta Dental and Delta Dental may release to or obtain from any insurance company or other organization, any information about the Member that is needed to administer coordination of benefits. Delta Dental shall, in its sole discretion, determine whether any reimbursement to an insurance company or other organization is warranted under these coordination of benefits provisions, and any such reimbursement paid shall be deemed to be Benefits under this Plan. Delta Dental will have the right to recover from a dentist, Member, insurance company or other organization, as Delta Dental chooses, the amount of any Benefits paid by Delta Dental which exceeds its obligations under these coordination of benefit provisions.

Grievance and Appeals Process

Our commitment to you is to ensure not only quality of care, but also quality in the treatment process. This quality of treatment extends from the professional services provided by Participating Providers to the courtesy extended you by our telephone representatives. If you have any question or complaint regarding eligibility, the denial of dental services or claims, the policies, procedures or operations of Delta Dental or the quality of dental services performed by a Participating Provider, you have the right to file a grievance or appeal with BRAND NEW DAY. See your BRAND NEW DAY Evidence of Coverage Booklet for information on the grievance process or contact BRAND NEW DAY at the 866-255-4795 on your BRAND NEW DAY Plan Member ID card.

Renewal and Termination of Benefits

This Plan renews on the anniversary of the contract term unless we provide notice of a change in premiums or Benefits and BRAND NEW DAY does not accept the change. All Benefits terminate for any Member as of the date that this Plan is terminated, such person ceases to be eligible under the terms of this Plan, or such person's enrollment is cancelled under the terms of this Plan. We are not obligated to continue to provide Benefits to any such person in such event, except for completion of Single Procedures commenced while this Plan was in effect.

Cancellation of Enrollment

To be eligible for Benefits under this Plan, you must be enrolled under one of the various Medicare Advantage health plans or products offered by BRAND NEW DAY. If you lose your eligibility or you terminate your enrollment under your BRAND NEW DAY plan you are not eligible to receive Benefits under this Plan. See your BRAND NEW DAY Evidence of Coverage Booklet for enrollment terms and conditions.
